SHRINER'S PARADE

(from the President)

The 2007 Belleville Shriner's Parade was held on June 1st. We had 17 club members come out to help with the parade. I would like to extend my thanks or W5DTR Curtis for bringing out the ITECS-8 communications trailer, and all those club members that took the time to come out and help the Shriners.

Steve Kraus commented after the parade how much they appreciate us coming out and helping them make the parade a big success every year. There were 102 units for us to help get lined up, and sent on their way this year.

The following members participated this year:

WA9MW	- Mike	N9WQJ	- Mike
KE5EHZ	- Cody	KH7EX	- Rosaline
W9TJ	- Tom	K9CNB	- Nolan
KB9JJA	- Dale	KC9LIX	- Bob

KB9HYY	- Aaron	WA9MGX	- Red
KC9AEC	- Bob	KC9CXU	- Marge
KB9UEF	- Lou	KC9CIL	- Curtis
W5DTR	- Curtis		

FIELD DAY 2007

(from the President)

Field day this year is June 23rd and 24th. It will be held at the Terry Thorne Residents like it is every year. For those of you coming to help set up the stations we usually start putting up the antennas at 10:00AM on Saturday morning. We always need extra help getting the antennas in the air, and the stations set up. We will have 2 HF stations one for CW, and one for SSB as well as 6 Meters and VHF equipment in operation. We will be operating under the club call K9GXU so those that are not licensed or do not have HF privileges will be able to operate the radios with the club privileges. We will once again operate from air-conditioned campers, so weather and temperature should not be a concern.

Our famous Pot Luck on Saturday is at 6:00, all club members, family and friends are invited to the pot luck. Bring your favorite dish, and lawn chairs. We always have a good turn out for the pot luck, and there is always lots of good food to eat.

If you need more info on field day please feel free to give me a call (618) 334-5044 or e-mail dale@wentztech.com
